Letter of invitation for representatives of Nepalese companies participating at Jaarbeurs Gent – Visa procedure

Excellency,

For several years, IJV-IFAS npo has invited foreign guests to its JAARBEURS GENT annual trade fair, one of the largest consumer fairs in the Benelux. We have the pleasure of informing you that for this 68th edition, Nepal has been invited.

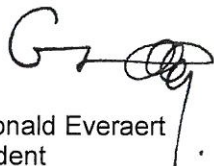

This annual fair offers the ideal platform to the Province of East Flanders, the City of Ghent, Flanders Investment & Trade and other partners to join forces with various interest groups and stage a series of large-scale events.

We do believe that JAARBEURS GENT would be the right venue for Nepal to promote its trade, investment, culture and tourism.

For this reason we would like to invite the exhibitors, managed by FNCCI, IPP, Nebab, NRN/ICC. JAARBEURS GENT takes place from September 11th till September 24th (construction and dismantling included) at Flanders Expo in Ghent.

We thank you in advance for your assistance regarding the visa procedure.

Yours sincerely,

Mr Ronald Everaert
President

Mr Jan De Geest
General Director
